Dear Madam,

A LETTER OF APPRECIATION

Accept post-Christmas greetings from the staff and students of P.C.H.S Limbe.

I write on their behalf, to sincerely thank your organization for the kind gesture towards us. The 20 brand new computers and 5 UPS have not only been a source of inspiration to the facilitators and learners, but will also go a long way to improve on the technological skills of our children.

It is thanks to this organization that our school laboratory is equipped, which has made the computer laboratory fit for the running of practical for our National General Certificate of Education Examination (G.C.E.) here in Cameroon.

The parents are not left out. They equally asked me to extend their gratitude to you.

May God richly bless you and your families as you continue to wipe away tears.

Yours in His Service,

MOKOKO GRACE EMADE
Principal
